

2016 ANNUAL MEETING

February 23-26, 2016

Bonita Springs, Florida

Hyatt Regency Coconut Point Resort & Spa

Preliminary Program

2016 ANNUAL MEETING

GETTING VALUE FROM YOUR INDUSTRY ASSOCIATION

The Asphalt Emulsion Manufacturers Association, the Asphalt Recycling & Reclaiming Association and the International Slurry Surfacing Association are about to meet together for the 13th consecutive year. The reasons that brought these three associations together still exist today with even more relevance than ever before. This year's program focus is 'Getting Value from your Industry Association'. AEMA, ARRA and ISSA are strongly invested in the maintenance and preservation of our highways in ways that are economically beneficial, soundly engineered, and friendly to the environment at the same time. Through our marketing program, the Pavement Preservation & Recycling Alliance, we are well prepared to meet the challenges ahead with a united front.

Industry speakers and cutting edge topics equal the best in technology transfer. Attendees at this meeting will have the opportunity to enjoy the general sessions and then choose the topics on which they want to focus. This scheduling allows everyone to keep abreast of new developments that may be valuable for future business expansion or simply pertinent for current customer satisfaction.

One reminder, register your spouse for the AEMA-ARRA-ISSA Annual Meeting. If your spouse is accompanying you to Florida, we invite you to register her so she can enjoy all the meeting social functions with you. Included in her registration fee are the Opening Reception, the Spouses' Welcome (with special presentations from the hotel concierge and our keynote speaker), two continental breakfasts and the Awards Breakfast, one luncheon, and the Thursday Night Reception, and the opportunity to sign up for the golf tournament. The spouse registration fee of only \$600, until December 18, 2016, and is a bargain for all this fun, food, festivity, and friendship. All registered spouses will be provided a meeting name tag AND tickets which will be required for all social functions.

The information that appears on the following pages represents speakers, both invited and/or confirmed, at present. Between now and the meeting, it may change to some degree. We will keep you abreast of all additions or changes as best we can.

Looking forward to seeing you in sunny Bonita Springs, Florida.

Mark Ishee, AEMA Program Co-Chair, Ergon Asphalt & Emulsions, Inc.

John Irvine, ARRA Program Co-Chair, Roadtec Inc.

Rex Eberly, ISSA Program Co-Chair, Bergkamp Inc.

SPONSORSHIP

AEMA, ARRA, and ISSA count on proceeds from the annual meeting to help with their program budgets throughout the year, so the overall financial success is vital. Please remember a major benefit of the combined meeting is not having to go to three separate meetings; you can reach more people at one time in one place, and not have to spend more time and money at two other meetings. We humbly ask you to consider applying some of that savings towards sponsorship of the AEMA-ARRA-ISSA 2016 Annual Meeting, and we encourage you to bring more people from your company.

SPONSORSHIP

This year's AEMA-ARRA-ISSA Annual Meeting Golf Tournament takes place at the Raptor Bay Golf Club - ranked among the top 10 favorites by Gary Van Sickle, senior writer for Sports Illustrated

Each hole was carefully crafted to blend with the environment, leaving a beautiful course with natural surroundings. Under the guidance of Audubon International, Raptor Bay Golf Club has developed an ecological design that preserved the most valuable habitats on-site and restored nearly 25 acres of wetlands. With no residential sites on the property, the natural surroundings encourage the appearance of protected wild creatures including the American Bald Eagle, Great Blue Herons, Snowy Egrets and even the very shy Whooping Crane.

We encourage you, your spouse, and fellow coworkers to take part in the tournament to enjoy the wide fairways with one height of cut throughout and five sets of tees to give players of every skill level a memorable outing.

Even if you do not join us in the tournament, there are still ways your company to be involved. Consider sponsoring the tournament with one of these great opportunities.
